IS PROUD TO ANNOUNCE THE

## ***COLLARUM® AND FOOT SNARE WORKSHOP***

August 2, 2014

12:00 pm - 5:00 pm

John Bryan State Park - Day Lodge

3790 State Route 370, Yellow Springs, OH 45387

Learn how to use the Collarum®, Belisle & Fremont foot snares in your business. Join Tim Julien, FTA Trappers College Instructor, owner of Proline Lures and one of the industry's top nuisance canine instructors, as he discusses how each device works and shares his experiences with proper site location, placement, and lessons learned. Attendees will get hands-on time with the equipment and receive a workshop completion certificate.

OWCOA will be collecting a **\$10** donation at the door from each attendee to cover workshop expenses. Attendance is limited to 50 attendees. Register by sending attendees name via email to [workshops@owcoa.com](mailto:workshops@owcoa.com) or call Ron Krueger at **419-606-9188**.
